**We've all seen it on the TV .....  
now's the time to see it in the Flesh!**

Sarah H is putting together a trip to visit the amazing Highclere Castle and there are just a few seats left following Monday's meeting so this is your chance to sign up if you weren't there.

The house and gardens have limited opening times during the year but on Wednesday 22<sup>nd</sup> April we're going for a morning visit to see for ourselves the house at the heart of Downton Abbey.

Morning visit will include mini bus from Barnes leaving at approx. 09:00 and access to the house and gardens from 10:30.

The estimated cost will be £36.00 (£34.50 if you're lucky enough to be over 60) but the final price will be known as soon as we get the final quote for the mini bus.

Visitors are welcome to visit the Gardens and Grounds all day and The Castle Tearooms are open from 9:30am which sounds like the ideal place for a coffee and some lunch.

If you want to be on the list and reserve a place ping Sarah H using this pre-filled [link](#) and she'll be in touch to finalise the price and confirm the arrangements.
